

Juror #3

~~When~~

~~When an exhibit is introduced~~

When the US asks for an exhibit to be received into evidence, and defendant objects to that exhibit, and that objection is sustained, what does that mean for what the jury can consider? Is everything relating to that exhibit (including witness identification) not something we should consider?

Court Exhibit
No. 1

Case 1:23 cr 491 MAD
USA v. Adekoya
